PRESIDENT'S MESSAGE

HAPPY HOLIDAYS!

We have much to be thankful for as we bring 1999 to a close.

The list of awards the chapter received at the Boston Annual Meeting is impressive:

Jay W. Gleason Memorial Public Relations Award for Excellence

Continuing Professional Development Award for Excellence

E. Adrian Teaf Memorial Education Award for Excellence

Chapter Good Works Outstanding Achievement Award

Membership Achievement Award

These awards and additional efforts put forth by numerous chapter members enabled Past President Mike Ryan to submit a Presidents Award application that earned your chapter a Presidents Achievement Award as one of the eight finalists among large chapters. The people who worked so hard to live up to our chapter mission and earn these awards will be honored at our next meeting on December 14. This will be a breakfast meeting at the Westin downtown. Show your support and gratitude to these fine CPCUs by attending that meeting!

Now is the time to work hard to make the rest of this chapter year a fruitful one. Please review the list of programs in this newsletter and mark your calendar to attend as many as you can. Keep abreast of chapter activities by viewing our chapter website on a regular basis. Put cincinnati.cpcu.org in your "favorites" folder.

Attending the meetings and checking the website are minimums. If you feel inspired

ANOTHER SUCCESSFUL I-DAY

to do more and wish to meet some truly wonderful people in the process, volunteer to work with one of the committees or sections. Their leaders are listed on the website with phone numbers and addresses. Our most important needs are leaders for the agency section, the public relations committee and the ethics committee. Call me directly at 870-2546 or e-mail me at james_meyer@cinfin.com if you would like more information.

Please accept my most sincere best wishes for you and your families during the holiday season.

Jim Meyer, President

Another successful I-Day is history. All those in attendance agree that the breakout sessions were very good. We had 16 of our 21 new designees there to receive their just recognition. They were confirmed by the newly elected Society President Marsha Egan with assistance from our own Greg Deimling now the Society Secretary/Treasurer, Regional Governor Jerry Clark and our current President Jim Meyer.

For those of you working on getting or renewing your CPD qualification, I'm happy to advise that all of our I-Day programs were approved for CPD credit at one point for each scheduled hour of program.

Sean Cogan has announced that next years I-Day will be November 1. Mark your calendar, as Sean is sure to put together a GO program.

GOOD WORKS "WORKS"!

The Cincinnati Chapter successfully delivered 100 assorted blankets to Valley Interfaith Food & Clothing Center in Lockland on 11-13-99.

The delivery committee consisted of Jim Meyer (with son Mark), Bernie Nachtrab and Nancy Moore (with daughter, Becca). Phyllis Sapp accompanied as a representative of the Insurance Women of Greater Cincinnati, who donated towels and washcloths to the effort. Miami Valley Insurance Women sent along assorted socks and underwear in response to a need expressed by the Center.

Thanks to Indiana Insurance Company for storing these items for several weeks while the delivery date was finalized.

UPCOMING GOOD WORKS!!!!

DECEMBER—Adopt a Family (efforts are being made to secure several families through Valley Interfaith). Stay posted!

JANUARY/FEBRUARY—Habitat for Humanity—Man/Woman Power needed!

APRIL—Scholarship Essay Contest topic to be determined. Suggestions welcomed.

NEED TRAINING?

If anyone is interested in brushing up on their training skills, Ken Dauscher from the Insurance Institute and Society of Insurance Trainers and Educators (SITE) is willing to conduct a "Train the Trainer" seminar in our area if we can get at least a dozen participants. Ken will conduct the seminar with Insurance Institute products in mind.

The seminar would end at 2:30PM.

We are thinking about a January time. If you are interested, please contact Frank Gallina at OCG, 603-2025.

DOWNTOWN PROGRAM PARKING AVAILABLE!

Many of you may have been reluctant to attend program events downtown due to parking costs.

Please note...it is only \$1 for 3 hours of parking at Fountain Square Parking facility (which attaches to the Westin Hotel) or at any of the City of Cincinnati parking facilities.

Don't let parking costs be a deterrent!

AIC CLASSES

We have not sponsored AIC classes for some time now, due to low attendance. Please survey those at your company and if anyone is interested in a class, ask them to contact:
